Dear Mayor and Council:

I encourage the City, as soon as its building moratorium expires, to initiate and, indeed, expedite the approval process for Koi Shalom's site plan for the properties at 9104, 9110, and 9150 Darnestown Road.

It was my pleasure to attend the 24 September community meeting hosted by Koi Shalom. The congregation's energy and enthusiasm were evident in their proposal. Their planners and architect have created a masterful design in keeping with the neighborhood and Mother Nature.

My wife and I have lived at 9100 Darnestown Road since 1988. Too much of the 9100 block of Darnestown Road has already sat vacant for too long. Please move ahead.

Respectfully,

Gerald E. Cooper

Dear Mayor and Council,

We live at 2284 Glenmore Terrace and our property abuts the rear of the proposed Kol Shalom Synagogue at the referenced addresses.

The applicants for this property have met with us several times and we have found their proposals and their proposed use of the property to be favorable. We hope that you will make a speedy decision and allow this project to move forward in the process.

Sincerely,

Councilwoman Phyllis Marcuccio
City of Rockville

Rockville, MD 20850

Dear Councilwoman Marcuccio:

This letter is to reiterate Glenora Hills Citizens' Association position on the proposed building of the Kol Shalom Synagogue on the land at 9104, 9110, and 9150 Darnestown Road. We are very much in favor of this construction on this site. It will be a great project for our neighborhood, and we look forward to having Kol Shalom as neighbors. The staff at Kol Shalom continues to go out of their way in working with us addressing any concerns we might have while keeping us up to date on their progress with the City.

We understand that some important hearings are coming up for this project, and we want to be sure that the City knows of our approval to move forward. Kol Shalom has worked tirelessly on getting their new home built, and as a neighborhood we would love to see them able to break ground as soon as possible.

On a personal note, my backyard abuts this property, and I truly think that Kol Shalom will make a great neighbor. Thank you for doing all you can to move this project forward expeditiously.

Sincerely,

A handwritten signature in cursive script that reads "John L. duFief".
